## D E T A I L S

If you are looking for a fun day out of Nairobi, jammed pack with adventure, then this is the tour for you. Enjoy mountain biking, rock climbing, and gorge walking in Hells Gate National Park, just 1.5 hours from Nairobi.

Hell's Gate National Park lies to the south of Lake Naivasha in Kenya, just northwest of Nairobi. The park is a savannah ecosystem and harbors a wide variety of wildlife. There are over 100 species of birds in the park, including Vultures, Verreaux's Eagles, and Augur Buzzards. African Buffalo, Zebra, Eland, Hartebeest, Thomson's Gazelle, and Baboons are also common. The park is also home to the Klipspringer Antelope and Chandler's Mountain Reedbuck.

# HELL'S GATE | SINGLE DAY HIKING, GAME DRIVE, & MOUNTAIN BIKING

## Your fun filled itinerary.

You will be met in Nairobi and transported to Hells Gate National Park.

We will arrive at Elsa Gate where you will have some refreshments as you listen to a briefing on the day's activities.

You then get fitted out with a mountain bike and helmet and receive an additional brief on the biking section. You'll start with a 6km mountain bike trip to the obsidian caves. This is a gentle 3km uphill ride to a great spot to see some interesting and very old geological cave formations. Afterwards you have a 3km downhill to enjoy.

You will spend the rest of the morning climbing on either Fischer's Tower or Cliffs. There are several different routes of varying difficulty that you will be able to try (British D to E2/3, American 5.2 – 5.11b/c, Australian 10-21 and French 1 – 6c.)

After working up an appetite you will enjoy a picnic lunch in a nice area of the park.

Post-lunch you'll head back on the bike for an 8km ride through the heart of the park to see all of its wildlife and arrive at the OI Njorowa Gorge Walk.

At the OI Njorowa Gorge, you will hike down, then up and out through the semi dry OI Njorowa gorge. With its stunning, sheer 200ft high walls plus an impressive side gorge, it's one part of the Hell's Gate experience not to be missed!

Now it's time to relax as we take you on a game drive through the park. Enjoy a refreshing cold drink as we slowly return to the park gate seeing what we can see before we depart to Nairobi.

We will arrive in Nairobi before it is dark.

## READY TO BOOK?

## What to bring.

It is likely you will be getting hot, sweaty, muddy, dusty and possibly a bit wet. We recommend you bring one full change of clothes (including footwear) to cover any eventuality. Also it is a good idea to bring a light rain jacket. Please protect yourself against the sun with plenty of sun cream, a sun hat, and sun glasses. It is a good idea to wear long clothing if you burn easily. Unfortunately there are no shower facilities at the park, so a packet of wet wipes is a good move for those of you who like to stay clean. Make sure you bring a day bag to carry everything in (rucksack type is ideal) as well as a minimum of 2 liters of water.

## What's included.

Return transport from Nairobi, refreshments on arrival, all necessary equipment, qualified instructors, lunch, extra water, and cold drinks (beers and sodas) at the end of the day.

## What's not included.

Park fees. Please visit [www.kws.org](http://www.kws.org) for more information on the fees you'll be charged.

## Optional.

If you wish to spend more time in the area, we have plenty more activities available such as the Sanctuary Farm and Crescent Island to tours of one of the local flower farms. We also are able to camp the night at Carnelies Camp Site.

## Availability.

This adventure is available all year round although the best time to climb is in the middle of the summer. We need a minimum of 6 people and a maximum of 50 people.

## Reservations.

It is very important that you make a reservation with as much anticipation as possible to reserve the dates of your adventure. Please note that on reserving your adventure you will have to pay a 50% deposit.
